Register your i>clicker remote:

1. Log into OU D2L (http://learn.ou.edu) with our OUNetID (4x4) and password, then select your course.

2. Once on your Course Home page, click the Content toolbar link.

3. From the Table of Contents page, find and click the Register Your i>clicker Remote link.

4. The Register Your i>clicker Remote page appears. Enter your i>clicker remote ID and click Register.

5. Your remote is now registered. You can remove your remote registrations from D2L at any time by clicking Remove on the Register Your i>clicker Remote page.

If you are experiencing registration issues, please attempt to utilize a different browser (Firefox and Chrome recommended). Ensure that you do not have 3rd party cookies blocked.
