Syncing your OU D2L roster to i>clicker

Once your students have registered their i>clicker remotes within OU D2L, you can import your student roster (complete with registration data) into i>clicker so polling data can be credited to your students.

To import your OU D2L class roster into i>clicker:

1. Open i>clicker 7 and click on Gradebook.
2. Click the Sync Roster icon.

3. Your D2L roster will be downloaded, and you will receive a message that your roster downloaded successfully.

⚠️ TIP: It is recommended that you Sync Roster after drop/add periods are over in order to keep your roster up-to-date.
